Reglas del juego	<p>Ever wondered what would happen if you combined three hoggish pigs, a bonanza of explosive wins, a pile of sparkling treasures—and a whole lotta mayhem? The three piggies are back in 3 Porky Banks Extra, and they mean business!</p> <p>Keep an eye out for any blue, purple, and red coins—they make the pigs grow bigger! Land 6+ coins to activate Hold & Win, triggering 3 spins that reset with every new coin.</p> <p>Blue coins double the cash values of all coins!</p> <p>Purple coins turn into a random 15 to 150x cash value!</p> <p>Red coins collect the value of all coins on the board!</p> <p>And hold on to your ham sandwich—when a Rainbow coin is thrown into the mix, it will randomly transform into any of the other three coloured coins!</p> <p>Landing 3 Scatters triggers 8 Freespins. When a coloured coin lands but isn't enough to trigger Hold & Win, it can activate a Coin Shower, pumping up the adrenaline as coins rain onto the reels for an exxxxxtra-large dose of excitement!</p> <p>Watch the slots spin, pig out on jackpots, and go ham on the reels—3 Porky Banks Extra is here to ramp up the fun!</p> <h2>Rules</h2> <ul style="list-style-type: none"> • This game has an average RTP of 95.13% • This game has a minimum bet of €0.20 • This game has a maximum bet of €50.00 • 3 Porky Banks Hold and Win Extra is a 5-reel, 4-row video slot, with 30 lines. Features include: Wilds, Coins Collection, Scatters, Freespins and Hold and Win feature. • Only the highest win on any Winline is paid. • Multiple Winline wins are added together to award a total amount won for the bet placed. • Winning combinations and payouts are made according to the payable. • Coin wins, including the Mini/Minor/Major prizes, will be paid in addition to any wins obtained on Winline. • Scatter wins will be paid in addition to any wins obtained on Winline.

Base Game

- The game is comprised of 5 reels (referred to as reels 1, 2, 3, 4, 5) of height 4.
- The game contains 30 paylines that go from the left to the right of the screen. If X consecutive reels contain a symbol on a payline, the game grants the player a cash payout.
- Wilds count as all of the paying symbols when determining what symbol wins.
- There exist three distinct coloured coins of colours blue (Double), purple (Mystery) and red (Collect).
- Only one of each colour can land per spin.
- If 6 or more Hold and Win symbols appear on the board at the same time, then Hold and Win is triggered.

Hold and Win

- All Hold and Win symbols stick to the board at the same time.
- When Hold and Win is triggered the player is granted 3 Respins.
- When a new Hold and Win Symbol lands it will reset the number of Respins to 3.
- Whenever a coloured coin lands (including the trigger spin), they will activate to perform an ability:
- Special Blue Porky Coin - During Hold and Win will double every other value on Coins, then convert to a random Stake Multiplier.
- Special Purple Porky Coin - During Hold and Win will convert into either a Stake Multiplier or a Jackpot Value.
- Special Red Porky Coin - During Hold and Win this Symbol will add all the Stake Multipliers on the board and hold that as its Stake Multiplier.
- Special Special Rainbow Coin will convert randomly into a Special Blue/Purple/Red Porky Coin, and then activate that corresponding ability.

- You cannot land any coloured coin that was not on the trigger board. With the exception of Special Rainbow Coins, that can land in any Hold and Win session and convert to any coloured coin.
- Special Gold Coin Symbols can have values 1x, 2x, 3x, 4x, 5x, 6x, 7x, 8x, 9x, 10x, 12x Bet Value.
- A full board of coins will grant the Mega Jackpot of 5000x
- All coins collected during play persist through reset or disconnection.

Coin Shower

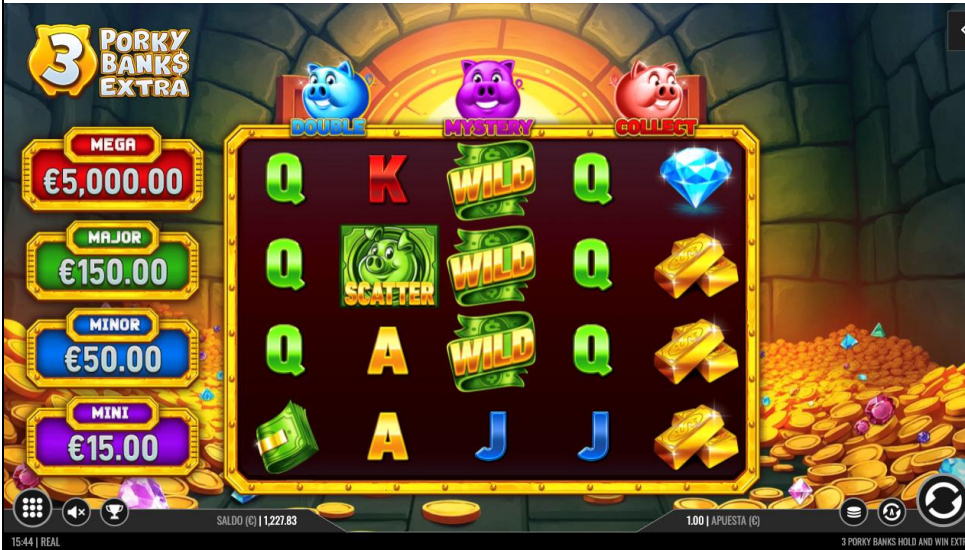

- There is a random chance per game to shower coins down onto the board to grant exactly six coins.
- This can only trigger if no other state is being triggered.

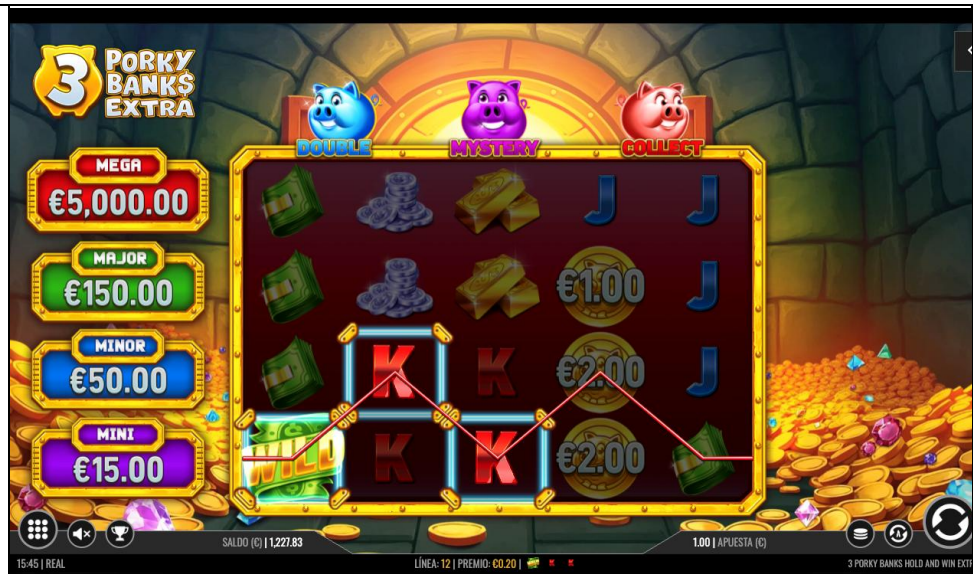

Freespins

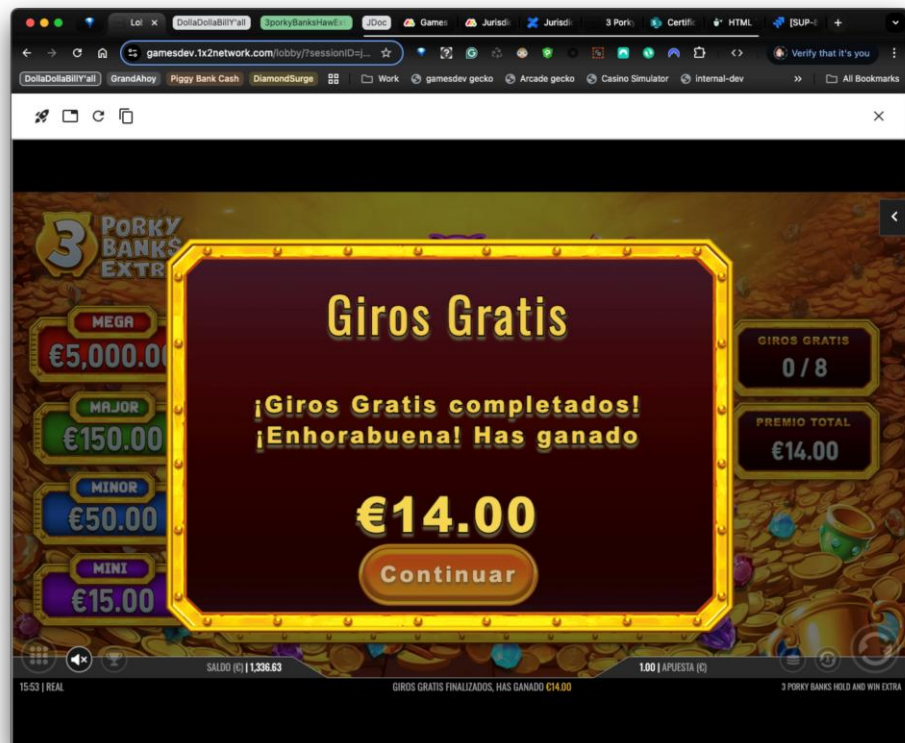

- If 3 Scatters appear on the board, then Freespins is triggered (if in base game) or retriggered (if in Freespins).
- The wilds on the board now double the result of any payline they are part of, scaling multiplicatively.
- You can still (re)trigger Freespins, and trigger Hold and Win
- 3 Scatters awards 8 Freespins respectively.
- During Freespins, 3 Scatters awards 8 extra Freespins respectively.
- Scatters appear on reels 2, 3, 4 and will appear once per reel.

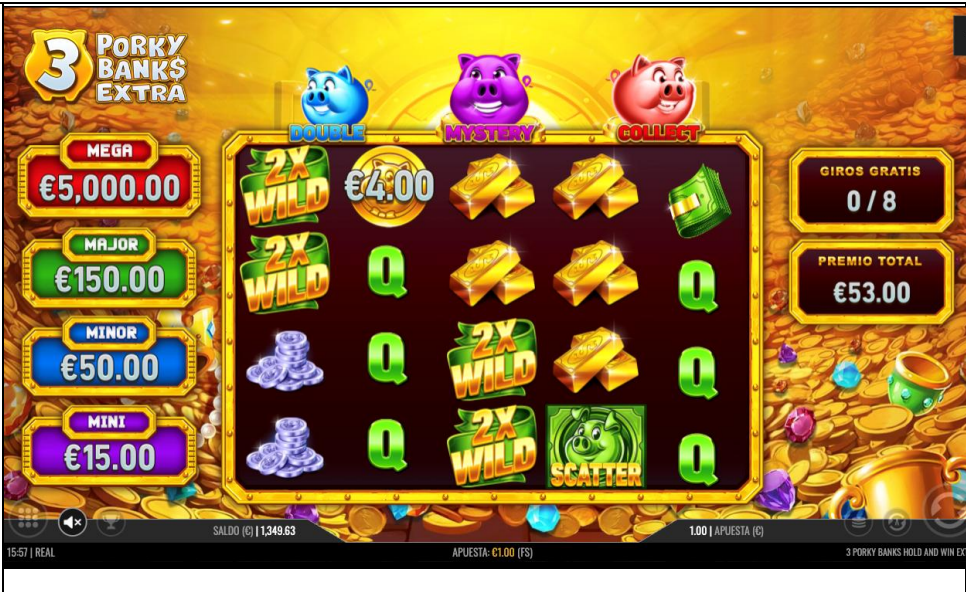

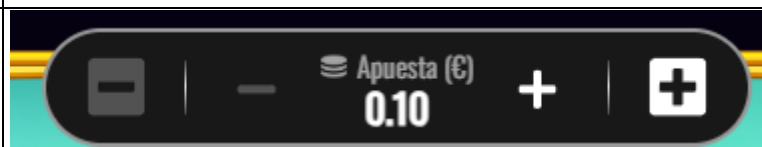

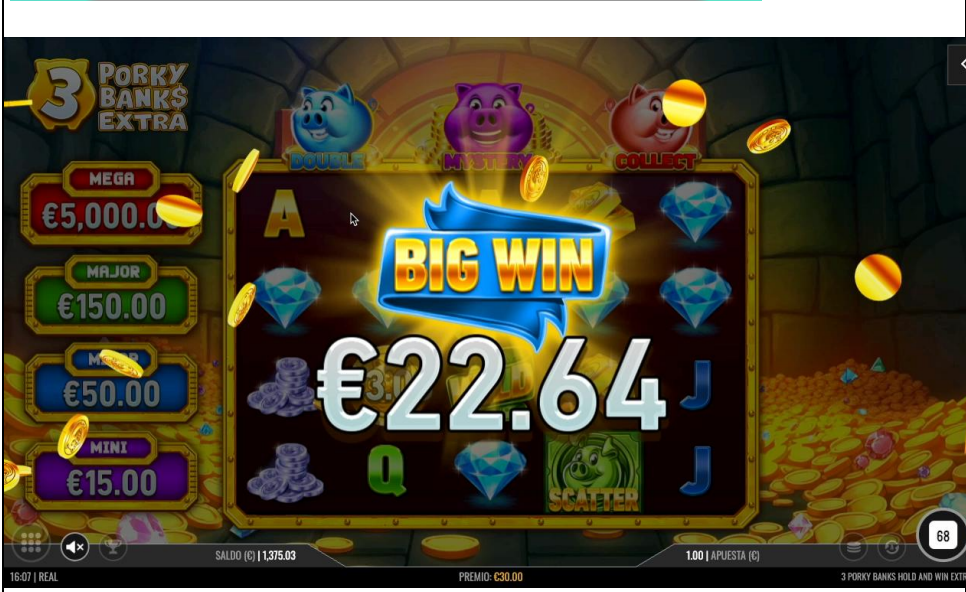

Additional Information

- The total cumulative pay cap is 5000x stake.
- If Maximum payout is reached, all remaining Freespins will stop and the Maximum payout will be awarded.
- Base game and Freespins have different reel sets.
