CANDY PALACE 1000

Candy Palace 1000

Game ID: 5309

Candy Palace 1000 is a sparkling world of sweetness and endless wins, where every spin is packed with colorful surprises and cascading excitement. Set on a vibrant layout with stacked symbols, this dazzling slot turns every cluster of matching icons into a chain reaction, creating multiple wins in a single spin and keeping the action flowing with constant anticipation. The Free Spins Bonus adds an extra layer of thrill, while Multiplier symbols can stack up to x1000, supercharging your rewards and making every spin feel like a chance for something spectacular. For players who crave even more excitement, the Double Chance mode boosts the odds of triggering Free Spins naturally, turning every turn of the reels into a pulse-raising hunt for bonus-winning Scatters. Bright, bold, and overflowing with cascading energy, Candy Palace 1000 is a feast for the eyes and a playground for players chasing big, satisfying wins. Spin the reels, watch the candy fall, and let the palace deliver your sweetest rewards yet.
